Rules of Conduct

- Arrive 5-10 minutes before practice or game time. This allows you a chance to warm up and get organized with your group or team members.
- Please see the Attendance Contact when you arrive to make sure that your attendance is noted.
- Curling Attire: All curlers MUST have clean rubber-soled shoes —NO EXCEPTIONS! If you arrive without your on-ice shoes, you will not be allowed on the ice. Pants must not have zippers or other loose items that could scrape or damage ice. Sweat Pants or curling pants are best.
- Please make sure that your brooms are clean before going on the ice. Dirt and loose brush can ruin the ice.
- Participant's cell phones must be turned off during ice time.
- RESPECT the Golden Ears Curling Club—you are now a member and should act in a respectful manner.
- Parents are encouraged to stay and support our junior curlers, we especially need on-ice help!
